Jet FM, Jeffrey Town Farmers Association

We are powered by wind and sun.

Our positive vibe is what makes us different from all the other radio stations we create our own programs and have won numerous awards for them too.

Jet Fm continues to make meaningful programming on climate change and adaptation, maternal health, social issues, matters directly related to farming and health programs. Newly added is the Jet Town Buzz drama series for 2013. We work voluntarily as a team to achieve and offer service.

We believe in upliftment and we use this medium to help make our community and parish better.
